

Guidelines for Poster Presentations

2026 Heat Exchanger Fouling & Cleaning Conference

June 14 - 18, 2026 | Vravrona, Greece

Poster Presentations

Posters should be formatted in A0 size with a portrait orientation, following the display requirements of the conference room. Display of posters is scheduled from 3:00 pm on Sunday until Wednesday afternoon. The designated poster session will take place in the late afternoon of Monday, June 15, during which presenters are expected to be available for discussions. A concise two-minute pitch, highlighting key research findings, is recommended at the start of the poster session.

Copyright Permissions

Direct use of figures/images from other sources requires permission from the original publisher. Obtaining such permission is the responsibility of the author(s). In addition, you must cite the source of the figures/images per the original publisher's terms.

Any material that is directly quoted from other sources requires permission from the original publisher if use of the material will harm the rights of the original publisher. If the quoted material will not be used competitively, a citation of the original source will suffice.

Authors must submit all permissions for the use of materials from other sources with the manuscript.
